Dr. Scott Needle is a primary care pediatrician and Chief Medical Officer of the Healthcare Network of Southwest Florida, a Federally Qualified Health Center and the largest provider of pediatric care in Collier County. He attended undergraduate and medical school at the Johns Hopkins University in Baltimore before completing pediatric internship and residency at New England Medical Center/Tufts in Boston. He has lived in Naples with his wife and three boys since 2007. Dr. Needle has been the Florida Chapter AAP Region 6 Representative since 2012, as well as the Chapter Contact for Disaster Preparedness. He also serves on the national AAP Disaster Preparedness Advisory Council, as well as the federal National Advisory Committee on Children and Disasters.
